

**REMARKS**

In the Office Action mailed May 21, 2003:

Claims 1-14 were allowed;

The drawings were objected to and the Examiner suggested labeling item 52 in Fig. 4 (register bank) and item 160 in Fig. 10 (register bank) as referenced in the specification;

The disclosure was objected to because line 14 on page 1 makes reference to LVDS driver 20 in Fig. 1 and the number is missing in Fig. 1;

The disclosure was further objected to because line 14 also makes reference to receiver 22 while the receiver is numbered 24 in Fig. 1.

In addition, the Draftsperson objected to Figs. 1,2 and 5-7.

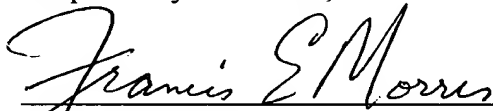

In this response, corrected Figs. 1-7 and 10 are submitted, and the specification has been revised at page 1, lines 14 and 16 to conform with the drawings.

This is to confirm the election of claims 1-14 for prosecution in this application.

In view of the foregoing, it is believed that this application is in condition for allowance.

The Examiner is encouraged to phone the undersigned at (650) 849-7777 if there are any remaining issues.

Respectfully submitted,

Francis E. Morris
